

§ 582.115 Limitations on assistance.

(a) *Current occupants.* Current occupants of the real property are not eligible for assistance under this part. However, as described in § 582.335, persons displaced as a direct result of acquisition, rehabilitation, or demolition for a project under the S+C program are eligible for and must be provided relocation assistance at Uniform Relocation Act levels.

(b) *Amount of assistance provided within a jurisdiction.* HUD will limit the amount of assistance provided within the jurisdiction of any one unit of local government to no more than 10 percent of the amount available.

(c) *Primarily religious organizations.* HUD will provide assistance to a recipient that contracts with a primarily religious organization, or a wholly secular organization established by a primarily religious organization, to provide, manage, or operate housing and supportive services if the organization agrees to provide the housing and services in a manner that is free from religious influences and in accordance with the following principles:

(1) It will not discriminate against any employee or applicant for employment on the basis of religion and will not limit employment or give preference in employment to persons on the basis of religion;

(2) It will not discriminate against any person applying for housing or supportive services on the basis of religion and will not limit such housing or services or give preference to persons on the basis of religion;

(3) It will provide no religious instruction or counseling, conduct no religious worship or services, engage in no religious proselytizing, and exert no other religious influence in the provision of housing and supportive services.

(d) *Maintenance of effort.* No assistance received under this part (or any State or local government funds used to supplement this assistance) may be used to replace funds provided under any State or local government assistance programs previously used, or designated for use, to assist persons with disabilities, homeless persons, or homeless persons with disabilities.

§ 582.120 Consolidated plan.

(a) *Applicants that are States or units of general local government.* The applicant must have a HUD-approved complete or abbreviated consolidated plan, in accordance with 24 CFR part 91, and must submit a certification that the application for funding is consistent with the HUD-approved consolidated plan. Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan. If the applicant is a State, and the project will be located in a unit of general local government that is required to have, or has, a complete consolidated plan, or that is applying for Shelter Plus Care assistance under the same Notice of Fund Availability (NOFA) and will have an abbreviated consolidated plan with respect to that application, the State also must submit a certification by the unit of general local government that the State's application is consistent with the unit of general local government's HUD-approved consolidated plan.

(b) *Applicants that are not States or units of general local government.* The applicant must submit a certification by the jurisdiction in which the proposed project will be located that the jurisdiction is following its HUD-approved consolidated plan and the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made by the unit of general local government or the State, in accordance with the consistency certification provisions of the consolidated plan regulations, 24 CFR part 91, subpart F.

(c) *Indian tribes and the Insular Areas of Guam, the U.S. Virgin Islands, American Samoa, and the Northern Mariana Islands.* These entities are not required to have a consolidated plan or to make consolidated plan certifications. An application by an Indian tribe or other applicant for a project that will be located on a reservation of an Indian tribe will not require a certification by the tribe or the State. However, where an Indian tribe is the applicant for a project that will not be located on a reservation, the requirement for a certification under paragraph (b) of this section will apply.
